KSPA Regionals Planning Sheet 2021

This sheet is not a required step in the registration process, but should help advisers in gathering -- whether on paper or digitally -- the information needed to organize for the KSPA Regional contests. However, advisers do not need to communicate the names and email addresses of their students upon registration. Students will provide their names upon submission of their entry. Gathering email addresses will be helpful if advisers want to add students as authorized entrants to the digital submission contest system at BetterBNC.com. Please see the explanations below.

School name	
-------------	--

WRITING CONTESTS
