Schools compete within regional groupings for awards and the chance to qualify for the State Contest. Notify KSPA with any classification errors. Otherwise, there are no appeals to regional groupings.

The KSPA office created groupings with an effort to find schools with gen-

eral proximity, to balance the number of schools and entries in groupings, and to separate schools from the same district, when possible.

All entries in a category and in the same regional grouping will be reviewed and awarded by the same judge.

5A/6A GROUPINGS
